RIDER

Ref. Par. II. Due to problems in the past, and in the interest of good will, we request that payment be made by either cash or certified check, and that at least 50% of total sum be paid prior to each performance. Exceptions to this requirement will be decided by Band Representative. Certain performances may require an advance deposit to confirm the date. Such deposits will be non-refundable after 7 days.

***We sincerely request that Club or Venue Representative adhere strictly to this clause.** The reason for this clause is based on the fact that any amount of compensation agreed on between Band Representative and Club or Venue shall not be construed as a "per member" basis. **Jahmings Maccow** acts as "Contractor", and shall be responsible for paying any "Sub-Contractors" (i.e. band members). It will be at our discretion as to how many "sub-contractors" we feel we need for the performance.

Ref. Par. III. Jahmings Maccow & E-Rif is a "self-contained" unit, and normally does not require any additional equipment or supplies. We are willing to use "house" sound systems as long as they meet our requirements. We do not need smoke machines, flashing lights, nor extra "props". We do require a well-built, safe, secure, lighted, easily accessible, stage or platform.

Normal "amenities" would be free or half-price soft drinks for band members and spouses, and at least 2 clean, decent hotel rooms if travel distance is a factor. These can be negotiated at time of contract discussion.

Ref. Par. IV. Due to the fact that the band repertoire includes several original compositions, we must insist that our performances not be reproduced in **any** manner unless arrangements are made with us.

Normally, CD's and Photos will be available for purchase at our performances.

Ref. Par. V. This contract, when signed by both parties, shall be considered legally binding. The preferred method of written notification of cancellation should be by registered mail. Any agreement not canceled by written notice prior to the allotted 15 days, shall be considered still in effect and should be honored.

As for weather related or bonafide emergency situations, every attempt should be made to agree on another performance date.
